THE HOWARD FAMILY.

The Greatest Opportunity That Paducah People Have Ever Had In This Line.

The history of the famous Howard family dates back to the burning of the "Witches" and "Wizards" at Salem, Mass. Their mediumship is a family heritage, and is surprisingly wonderful in every particular; almost every reader of spiritualistic literature has read of this wonderful family and their marvelous work. They are here, four of the greatest mediums that ever lived, and you can have the benefits of their combined power for the same fee, \$1, that you would pay some common fortune teller. They call your name at sight, and tell you what you came for before you speak a word. They find lost property, buried treasures, etc., in from three to five days. They settle family and love troubles, and advise you by a higher than human power on business, speculations, moves, changes, journeys, old estates, enemies, love marriage, divorce, etc., etc. Their powers individually are indeed wonderful, but when combined are marvelous, and not to be overcome in what they undertake. Hours, 10 a. m. to 8 p. m., daily and Sunday. Fees, \$1. 826 South Third, Harvey House. Don't ring, but walk up stairs.

WATER NOTICE.

Patrons of the Water Company are reminded that their rents expired December 31st. Those who intend to renew should do so before it is forgotten, as all premises not paid for on or before January 10th will be shut off.
